Leeruitkomsten

1.1 The student creates and produces artistic concepts at a high professional level.
2.1 The student independently develops musical products at a high professional level based on his/her own artistic concept and/or puts together programmes on the basis of that concept.
2.4 The student expresses a musically artistic personality.
5.1 The student presents himself/herself and his/her work, individually and/or collectively, in a way that is suited to the work presented and the intended audience.
6.5 The student responds to changing situations and circumstances and contributes to solving complex context-specific problems and issues.

Inhoud

In Part Two of this course students would be given the opportunity take the ideas from semester one and explore one particular avenue more deeply. This could involve using generative systems, adding interactive or interdisciplinary elements, or indeed anything the student wants to explore. This semester will culminate in a performance at the Art x Technology event at SPOT.
