Content

Musical Theatre domain: this domain focuses on mastering the technical aspects of musical theatre. The Musical Theatre domain is divided into a core and a foundation component, with technical proficiency being acquired in the foundation component and the core component serving to bridge the gap between technique, the various forms of musical theatre and the professional field.

Base

Voice coaching

Voice coaching supports Acting, Ensemble Singing, Musical Theatre and Vocal Technique.

Vocal Technique

Vocal Technique serves as the foundation for all domain components involving singing, but is also a standalone discipline.

Core

Acting

Acting serves as the foundation for the Musical Theatre module, but is also an independent module in the form of Musical Acting. Acting is linked to Dramaturgy, in which students develop their understanding of the dramatic arts and theoretical preparation for acting.

Ensemble Singing

Ensemble Singing serves as the basis for the Musical Theatre module, but is also a standalone module. The core objective is polyphony.

Musical Theatre

Musical Theatre brings together the elements of dance, singing and acting. In Musical Theatre, existing musicals, and in particular the dance and ensemble singing pieces, form the teaching and learning material.

Vocal Interpretation

Vocal Interpretation is a separate component of Vocal Technique, with a focus on textual interpretation.
