Associate Degree Social Work

Profile of the programme

The part-time Associate degree programme Social Work comprises a first-year programme (60 ECTS credits) and a main phase (60 ECTS credits). A strong link between the degree programme and the student's work environment forms an essential and compulsory part of the programme.

Learning outcomes

The Associate degree programme equips the student with the competences required of a professional in the field of social work. These are:

1. Strengthening of the client
2. Using the context
3. Handling the relation
4. Giving aid methodically
5. Designing of programs
6. Justification of actions
7. Cooperating professionally
8. Steering and guiding
9. Noticing and initiating
10. Innovation
11. Organizing and managing
12. Reflecting critically
13. Research
14. Profiling and legitimizing
15. Professionalizing
