Studiejaar 2021-2022
ECTS credits 1
Taal Engels
Coördinator E.W. de Vries

Werkvormen Gastcollege
Hoorcollege
Opdracht
Toetsen Entrepreneurship 1 - Opdracht

Leeruitkomsten

Students reflect on their entrepreneurial skills, based on the information from guestlectures and interviews by writing an individual report.

Inhoud

During this study unit, you will experience what entrepreneurial skills and attitude are. Several guest lecturers, also from the professional field, will tell about entrepreneurship do's and don'ts. You will organise and perform an interview with one of the regional entrepreneurs and reflect on (the development of) your entrepreneurial skills.
