Leeruitkomsten

For the Narrative Design Level 2 elective students have to write 3 personal learning outcomes that adapt to their level, development needs and the Course Independent Learning Outcomes (LOL). The learning outcomes have to be approved by the lecturer of the course. The other 2 learning outcomes are compulsory.

LOL C, Level 2 Exploring and Ideating: The student applies the design cycle to their assignment collaborating within a community of practitioners.

LOL C, Level 2 Exploring and Ideating: The student systematically applies theoretical concepts to inform and justify design decisions within defined professional contexts without supervision.

Inhoud

This Level 2 Elective Course is intended for students who have successfully completed Level 1 of Narrative Design. The student will pitch a narrative design topic to explore. In addition students will specify three individual learning outcomes to complement two (2) shared learning outcomes. Upon approval of these prerequisites, students will work in a community of practitioners to develop a prototyped deliverable showcasing a narrative design topic. To do this, students will work according to the design cycle.
