Leeruitkomsten

For this elective, level 3 students have to write 5 personal learning outcomes that adapt to their level, development needs and the CMGT competencies.

These learning outcomes must be clearly different from level 2 learning outcomes in the judgement of the lecturer of the course and require the approval of the course coordinator.

Inhoud

This Level 3 Elective Course is intended for students who have successfully completed Level 2 of Narrative Design. The student will pitch a narrative design topic to explore and five (5) individual learning outcomes. Upon approval of these prerequisites, students will work in a community of practitioners to develop a prototyped deliverable showcasing a narrative design topic. During this course, students will be coached according to the design cycle.
