Leeruitkomsten

- 1.1 The student creates and produces artistic concepts at a high professional level.
- 2.1 The student independently develops musical products at a high professional level based on his/her own artistic concept and/or puts together programmes on the basis of that concept.
- 2.4 The student expresses a musically artistic personality.
- 5.1 The student presents himself/herself and his/her work, individually and/or collectively, in a way that is suited to the work presented and the intended audience.
- 6.5 The student responds to changing situations and circumstances and contributes to solving complex context-specific problems and issues.

Inhoud

The whole student group together will explore the core ideas around electro-acoustic composition. Students will be invited to either compose a new work for the ensemble, or to arrange an existing work. This can also be done in pairs if they like. In each session the students will workshop their pieces with the ensemble and coached through ways in which they can incorporate electronics into their ideas. The end result will be a performance in the Jazz Club.
