Product

The student

- demonstrates the acquired knowledge and writing skills in a written assignment.

Context

The student

- demonstrates knowledge and insight in the context of the provided content.

Learning outcomes OffCourses**Making**

The student

- explores (new) materials, techniques and visual possibilities.
- intertwines idea or concept and meaningful work.

Thinking

The student

- uses the best discursive, social and visual (international) sources for his or her project.
- conducts artistic/design research in a reflective way.

Sharing

The student

- works together in a positive way.
- shares his or her project in a suitable way, defined in your context.

Inhoud

Studenten kiezen uit een programma van keuzevakken, waarin ze deelnemen aan interdisciplinaire en opkomende kunst- en ontwerppraktijken.

Het aanbod van de OffCourses wordt gedeeld via Brightspace. Ieder jaar is er een nieuw aanbod van offcourses. De exchange studenten van vormgeving dienen aan 1 offcourse van 5 credits deel te nemen.
